## What we are asking from you?

This event is open to anyone who would like to support the First Tee of Phoenix. All we ask is that you give your time and play with us on that day to raise needed funds for the kids within our program. We know initially this may seem to be a challenge, but we hope you will give it your best effort using your own existing network of family and friends to help support your involvement in the Putt-A-Thon. Our previous 100-hole celebrations have been very successful and this year’s plan will be the best ever!

## How do you register?

We have created a specific website for the event: [www.FirstTeeChallenge.com](http://www.FirstTeeChallenge.com)

From the home page click on the “SIGN UP” icon to register. Your registration will create a personal landing page for you. The landing page is customizable to post a profile picture as well as a narrative as to why you are participating (there is a sample template that will be provided with each page created). You will direct all supporters to your page to make their donation. Once a donation is received, an automatic “Thank You” email will be generated acknowledging their contribution.

## How can your network of people help support your campaign?

To make your campaign a success, we ask that you communicate with your network about your participation and how they can help. We will be providing sample template email(s) in addition to Social Media copy to send out to your network to help generate awareness.

Reach out to your friends and family to let them know about your involvement with the Putt-A-thon and ask if they can support some incredible kids in the community. The more communication with your network the more success you will have!

We are excited to continue the tradition of such a fun and worthwhile event. Our hope is that everyone will not only have fun participating, but come away with knowing that you made a difference in a child’s development!
